

SUMMER GEOMETRY CAMP INTENSIVE

A 3-day 3-hour per day camp designed to hone fundamental math skills is being offered in August. Each student will have an opportunity to work on overcoming math fears and building self-confidence prior to the start of the new school year.

Ms. Marion, Foothills' 9th grade geometry instructor, is offering a summer program comprised of a variety of activities in an environment conducive to optimum learning for all incoming freshman. Topics will include, an introduction to geometry, how to set up homework assignments, test-taking skills, and discovering math as an art. Hands-on activities, games, basic algebraic review, and mental math drills will be included. The Summer Geometry Math Camp will provide wonderful opportunities for learning in a positive social environment.

Instructor: Ms. Marion, Freshman Geometry Teacher

Where: Foothills Academy College Preparatory Campus, Ms. Marion's Room

Dates: Monday, August 3
Tuesday, August 4
Wednesday, August 5

Time: 9:00 am-12:00 pm

Payment: \$100.00 per student; enrollment is for all three days
