

## Summer Math Review

A 2-day, 4.5-hour-per-day review, designed to hone fundamental math skills, is being offered in August. Overcome your math fears and build your self-confidence prior to the start of the new school year.

Before we know it, the new school year will be here. Ms. Moreira, 10<sup>th</sup> and 11<sup>th</sup> grade algebra/pre-calculus instructor, is excited to offer a summer math review comprised of a variety of fun-filled activities in an informal, fun environment, to students who will be in 10<sup>th</sup> and 11<sup>th</sup> grade at Foothills Academy for fall 2009.
