

Summer Skills Math Camp*

A 3-day 3-hour per day camp designed to hone middle school fundamental math skills is being offered in August. Each student will have an opportunity to work on overcoming math fears and building self-confidence prior to the start of the new school year.

As the new school year approaches, Mrs. Cimo, 6th and 7th grade mathematics teacher, is offering a summer program comprised of a variety of activities in an environment conducive to optimum learning for all incoming 6th and 7th grade students. Activities will include, but not be limited to, hands-on activities, games and mental math drills. The Summer Skills Math Camp will provide wonderful opportunities for learning in a positive social environment.
