

## 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> Grade Summer Skills Science Camp

A 3-day 3-hour per day camp designed to hone middle school fundamental science skills is being offered in August. Each student will have an opportunity to work on overcoming science fears and building self-confidence prior to the start of the new school year.

As the new school year approaches, Ms. White, 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade science instructor, is offering a summer program comprised of a variety of activities in an environment conducive to optimum learning for all incoming 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students. Activities will include, but not be limited to, hands-on activities, labs, and lab report writing. The Summer Skills Science Camp will provide wonderful opportunities for learning in a positive social environment.
